The NCRS American Heritage AwardSM Application is pending.

## NEWSLETTER OF THE NORTHWEST CHAPTER

Of The National Corvette Restorer's Society

January — February 2009

### Chairman's Message

*by Mike Benner*

**G**reetings All,

I would like to take a moment to recap 2008. The value of many of the Corvettes we own has held up nicely against other measures in our economy; I find it interesting and a good thing. I think we have all been affected one way or another by the economic softening. When filling up my gas hog Silverado I was delighted to pay \$1.71 for regular gasoline, there is hope. I believe it will pass and positive times will prevail.

Our chapter membership has grown nicely thanks to the work done by our area coordinators, members and the mini judging schools the chapter held. In September our chapter completed the largest regional we've ever hosted. Your governing board is focused on the Corvettes and judging philosophies to insure the membership is having fun and wanting to share their hobby with friends.

A website is paramount to the future success of our chapter. The reason, our group is spread over three states where a website acts as a conduit to communicate with our members. The new website was launched at the holiday party. The new site will allow a member to renew membership, register and pay for activities on-line. Also, members will be able to shop and buy merchandise from the store. It is also a good venue for our sponsors to promote their wares. Thanks to our chapter web master, Eric Falk, for his commitment to implementing and modernizing the new site.

All in all, 2008 was a benchmark year for the NW Chapter. I would like to thank our Board of Directors, Area Coordinators, Tabulators, Judges, Volunteers and our members. There's more to come in 2009 so have a Happy New Year!

### Puyallup 2009

The NW Chapter will participate in the Corvette High Performance swap meet February 7 & 8 2009. We will have a membership booth featuring judging manuals for sale and order forms for our chapter jackets and clothing. We will also have membership information for new members. If you would like to volunteer for a shift in the membership booth please call or e-mail Mike Benner (503) 200-0889 or [chairman@nw-ncrs.org](mailto:chairman@nw-ncrs.org).

Our chapter dinner and short meeting will be Saturday night at 6 PM in the main pavilion, the cost is \$28 per person. The dinner will follow a member or guest contest to tell the most interesting and unusual Corvette related story. The winner, determined by the judging chairman, will receive a gift check for a local restaurant. If you plan to attend, PLEASE RSVP to Mike Benner by January 31, so we can let the caterer know. Please mail dinner checks to Mike at 19048 SW Salmonberry Dr. Sherwood, OR 97140.

to share my knowledge with him.

I told my story about Rick because I know there are others within the chapter who have done the same as Rick. He's just one of the numerous people within this chapter that are responsible for 30 years of success. I want to thank each of you who have served this Chapter, allowing the rest of us to be part of the best car club and NCRS Chapter.

-Editor

## Editors Rambling's

by Eric Falk

**D**ecember 12, 2008 was the 30th Anniversary of the NW-NCRS Chapter. Thirty years is a long time for a car club to exist; especially when the club is regionally based and is centered around one make of car- the Chevrolet Corvette. The fact that the center of the club is Corvette, also commonly referred to as America's Sports Car, isn't the reason the Chapter has existed for thirty years. The reason the Chapter achieved its 30th Anniversary is because of the people; those in the forefront of the chapter and those in the background, those in the past and those in the present.

I've been a member of the chapter for four years. Yes, I've met people from all over this country while being a member but the people I have met within this chapter are the reason I remain a member. I remember a time when I was at a mini judging meet and met a fellow by the name of Rick Reid. I didn't know Rick and hadn't heard his name before so assumed he was a new member or someone wanting to join our chapter. Wanting to be a good steward I took the time to talk to Rick and gave him a little information about the judging process. Our conversation was brief but I felt good that I shared some knowledge with him.

I'm not sure how long it was before I saw Rick again or where it was but I do recall learning Rick Reid was no new comer to the NCRS. I learned Rick had been a chapter member for some time and had held positions at the national level. Rick never told me about his involvement with the NCRS, nope, he is a humble man who allowed me

## Region VII Directors Message

by Arland Dower

**T**his is the end of the year, with articles being written and submitted during the holiday season, so it seems appropriate to look back at 2008 and forward to 2009.

Last year produced some visible results of efforts to bring NCRS into the 21<sup>st</sup> century as a modern business entity with a higher profile visible to many more Corvette enthusiasts. These efforts were made by many of our members over a long period of time and came to fruition during 2008. There were also some not so visible efforts put forth to make changes to the internal workings of NCRS to improve the administrative side of our hobby. There will be more changes in the near future and it is our intent to continue to evolve as a fiscally responsible organization that will continue to thrive during difficult times and, at the same time, offer more services to the membership.

(Continued from page 2)

I would like to thank the members of the Northwest Region for providing the opportunity to represent region VIII on the national board for the past three years. It has gone by very quickly and there still remains much to do. The next three years should be productive for the board and I look forward to being a part of it. If you have any concerns, ideas, or questions, please let me know at [akadower@comcast.net](mailto:akadower@comcast.net) or (360) 896-5334.

Kay and I would like to wish all the Northwest Region members and their families a Happy New Year; and we hope to see you at a future NCRS event.

- Arland

## From The Judging Chairman

*by Wayne Loran*

Your Chapter is planning to sponsor four judging events in 2009, two judging meets, and two judging schools. If you would like to have your Corvette judged at one of these events, please contact me as soon as possible.

The first judging meet will be held Saturday, March 28, 2009 in Yakima, WA, at Mike Doty and Tammy Shirley's home. This meet will

**“Our first, of two judging schools this year, is being planned for the June time-frame in the Olympia area.”**

probably be focused on C-2's. In order to provide quality judging, we need to reserve the right to limit the number of Corvettes judged. Preference will be given to Corvettes that have not been

Julie Perkins Blew

Jim Blew

judged before, and in order of the date the registration was received. Please register early so that we can plan accordingly.

Our first, of two judging schools this year, is being planned for the June time-frame in the Olympia area. This will be a “hands-on” training event for newer judges by actually judging a car facilitated by Master Judge instructors. More details will be announced later. If you would like to volunteer your Corvette for this kind of training, and have it officially judged at the same time, please let me know.

In August we plan to co-host a Chapter judging event with the British Columbia Chapter at the Enzian Inn in Leavenworth, WA. This will be a two-day event. We are tentatively planning registration and a judging school on Friday, with judging on Saturday.

The second judging school will be held in the Portland area on October 3 at Dean Sprecher's business “Corvette Specialties” in Wilsonville, OR. Again, this will be a “hands-on” training event for newer judges. One or two Corvettes will be judged with the support of Master Judge instructors. Please let me know if you would like to have your Corvette judged in a learning environment.

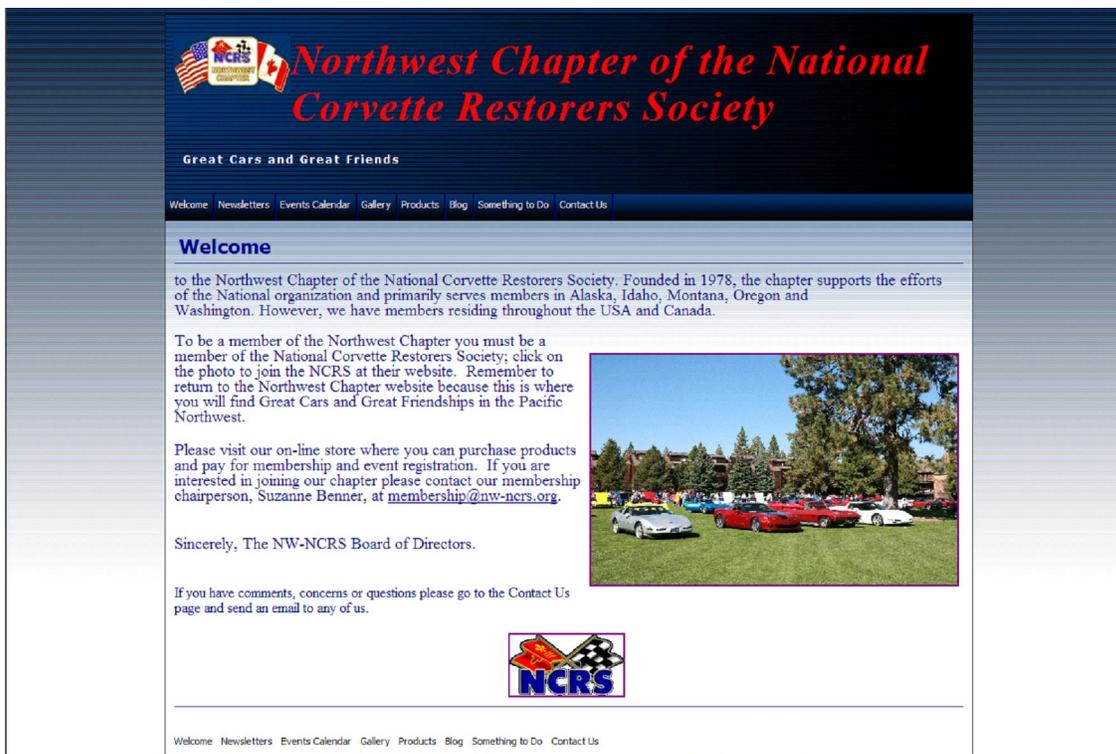

Registration forms for events will be published in The Front Bumper and available on the website for printing and completing on-line.

## NEW WEBSITE LAUNCHED!

The new chapter website was officially launched at the Holiday Party. There were about 40 members present for the unveiling of the new website. Unfortunately, they had to view a static presentation because the Rutherglen Mansion was having problems with their wireless internet service.

The site is now open and offers many benefits for the membership. The photo below shows the Welcome (home) page for the site. The tabs list the different pages within the site. All 2008 newsletters are available for reading, as is the first publication from the chapter in February 1979. There is an interactive events calendar which highlights holidays and Chapter and NCRS Events. Click on an event date and you will see details of the event and links to associated content, including registration forms and emails to the event coordinators. The calendar will be updated as new events are scheduled and confirmed. For an example of the calendars capabilities and informative material I urge you to visit the calendar and go to July 12, 2009.

The gallery currently displays photographs from the 2006, 2007 and 2008 NW Regional Events. The gallery will be updated as new events are photographed. However, the chapter is willing to post photographs that are related to the Corvette hobby and the goals of the NCRS. If you have a photograph or illustration you would like to see published, please submit a request to [editor@nw-ncrs.org](mailto:editor@nw-ncrs.org). We will only post content that is the sole ownership of the provider.

There is a Store where you can purchase chapter jackets, accessories and memberships. Place the items into your shopping cart and proceed to checkout where you can use a credit card or your PayPal account to pay for the items.

Check out the Blog (short for Web Log) for topics of interest. Here you will be able to enter comments which will be published for everyone on the web to see after it is approved. Approval amounts to the administrator verifying the comment is relevant to the topic and appropriate for posting on our web site.

There is also a page titled Something to Do, which has a game to play to pass the time and hone your mind.

And of course there is a Contact Us page where the Chapter Officers and Board of Directors names and email addresses are posted. Each member is voluntarily serving the Chapter and they want to hear from you; so please don't hesitate to contact them.

## The Essence of Compassion

Resolve to be tender with the young,  
compassionate with the aged, sympathetic  
with the striving and tolerant of the weak  
and wrong...because sometime in your life  
you will have been all of these.

– *unknown*

## NW-NCRS Board Meeting Minutes

**Date:** December 7, 2008

**Location:** Holiday Party, Rutherglen Mansion,  
Longview, WA

The meeting was called to order at the Rutherglen Mansion; in attendance were: Mike Benner, Dennis Clark, Larry Richter, Suzanne Benner, Wayne Loron, Eric Falk, Connie Falk, Chuck Dutoit, Mike Doty, Arland Dower and Bernie Schneider. The minutes were motioned for approval by Wayne, second by Dennis and passed.

**Treasurer Report:** Larry Richter re-capped on the income and expenses of the regional. We are in a state of financial stability.

**Membership:** Suzanne Benner reported that we have 149 members. 70 members have currently renewed their membership for 2009 and two members recently joined.

**New Business:** Larry Richter brought up discussion whether or not to charge \$20 per year for business cards to be put in The Front Bumper or whether that should be a courtesy to our members with businesses. There was also discussion regarding major sponsors. It was suggested we run a test to determine the necessity of advertising income. Mike Benner is going to run a test for approximately 6 months and report back.

Larry Richter proposed that we change the fees for judging at the regional level. The change would reflect an increase from \$45 to \$70 for Flight judging, P.V., Bowtie sign off and Founders. Larry made the motion, Wayne Loron, second the motion, it was passed. A second motion was made by Larry Richter to have 1<sup>st</sup> time car owners and first time judging at a chapter meet to be free. The motion was second by Mike Doty motion was passed.

The deadline for submitting a request to host the 2011 Regional is in January; Yakima, WA and Bend, OR are the two areas being considered. Mike Doty has done extensive research to host the regional in Yakima and is nearing completion. Mike Benner will assist Mike Doty and will present the results to the board prior to January.

### **2009 Activities Schedule:**

A schedule for the activities in 2009 was presented and most dates were confirmed. The chapter will be hosting at least three judging meets, one will be a Super Meet held in conjunction with the BC chapter. There will be a judging school held sometime in June and Swap Meet. Discussion on having merchandise available for purchase at the booth was agreed upon. The Terminator Party will be held at Rick Reid's home; date to be announced. The Holiday Party will be held on December 6th, location to be announced.

### **Unfinished Business:**

Mike Benner will confirm prices and the schedule for the Super Chapter Meet in Leavenworth, WA.

Larry Richter presented the need for a change to the Bi-laws. The change will reflect the split of the Boise area from Eastern Oregon, and the deletion of the Vancouver Canada area and Alaska. There was a motion made to have the Web site coordinator be its own position and was moved from the responsibilities of the Secretary. The two issues will be voted on at the next meeting by the general membership.

This meeting was adjourned around 3:30pm.

Respectfully,

Connie Falk -Secretary

## **Paintless Dent Removal**

**NO BODY FILLERS-NO PAINTING**

**DAVID HUGHES 503-516-6438**

**YOUR MOBILE DENT REPAIR EXPERT!**

## Area Coordinator Boundary Change

You may know that Eastern Oregon area includes South Idaho and Boise. The Board of Directors has chosen to separate South Idaho and Boise from the Eastern Oregon area.

The new Area Coordinator will be Stan Clements who resides in Payette, Idaho. Stan has some wonderful ideas regarding sharing information about our hobby with Corvette owners in his area. Many of you might have had the opportunity to meet Stan, Kathy and their son Todd in Bend.

Welcome aboard to Stan and Kathy.

## 2009 Events Schedule

Feb 7-8	Corvette HP Meet	Puyallup, WA
Mar 28	Chapter Meet	Yakima, WA
June	Judging School	Olympia, WA
Jul 12-16	National Convention	San Jose, CA
Aug (TBA)	Super Chapter Meet	Leavenworth, WA

**There are better ways to get home from a Regional judging event after earning a Top Flight Award.**

The above photo was taken on the return trip from the Regional in Bend, OR.; obviously the 75 required the assistance of a tow truck. The important part of the ordeal involved the assistance provided by two chapter members, Ken Mietzner and Bernie Schneider. Again, the people of this chapter are incredible. I will tell the story in the next issue.

## THANK YOU FOR MAKING IT POSSIBLE

*By Mike Benner*

**Y**ou may remember Jim Crook, a member of the NW Chapter. Jim owns a 74 Corvette coupe, which he bought new from Russ Chevrolet on February 12, 1974 for \$6650. The car is his pride and joy. After joining our chapter Jim decided he would have his 74 Flight Judged. The judging process revealed many secrets the aging Corvette was hiding; such as paint, exhaust, operations and more. Jim did not get discouraged after his first attempt on the judging field. He set a personal goal to achieve a Top Flight Award® at a regional meet someday.

“Finally, at the Bend Regional on a warm day in September the Corvette was Flight Judged again.”

Jim made several attempts at the blue ribbon, learning from each experience. The Corvette enjoyed steady improvement. Finally, at the Bend Regional on a warm day in September, the Corvette was Flight Judged again. The judges spent 4 hours on Jim’s Corvette. There was conferring, confirming, talking and looking; the Judging Chairman was even called to the scene. Jim was anxious; he said the experience was like

his first date but only worse. Once the judging was done Jim has to wait for the final score to learn if the elusive blue ribbon would be his.

To make things more stressful Jim has to return home for a family emergency. At the Saturday evening Awards Banquet Jim and his 74 were awarded a Top Flight Award and the coveted blue ribbon. Jim later said it was one of the best days in his life.

What makes this story inspirational is that Jim Crook has been confined to a wheel chair for many years. Think about it, to campaign a car and be physically limited. It creates challenges as well as opportunities. My heartfelt respect to Jim for his persistence and to all the members that assisted him in achieving his dream.

Our hobby is truly about the people and the spirit of giving. It’s just another example that God blesses those who share and give to others.

## Area Coordinators Report

### Spokane Area

Eastern Washington update:

I’m leading a road tour from Yakima to the National in San Jose. For those of you wanting to go to Seaside and see Reggie Jackson’s collection and meet up with the rest of the tours, get in touch with me and let’s figure out a road trip. I’ve tentatively scheduled Thursday night at Klamath Falls, OR.; located about 1 1/2 hours east of Ashland, OR. On Friday we’ll stop at Lake Tahoe, CA and Saturday cruise over to Seaside, CA for Last Night Out. Sunday will be a leisurely drive to San Jose.

If we come to a consensus that we would rather travel down the coast line, that will work also. If you are wanting to cruise with us let us know soon and we can work out a route that works for everyone. Email me at [corvettemikenw@charter.net](mailto:corvettemikenw@charter.net)
